The following is a list of the students I have been able to identify and there are several I am trying to identify. If you would like to help me put some names to the

unidentified faces I have put up another copy of the senior photo here:

[Senior Photo with Numbers for the Unidentified](#)

This other photo has numbers on the students who I still need to identify. If you recognize someone just send me the number from that photo with the person's name. Click here for a list of the names from the senior yearbook I have not yet used:
